

CULVER CITY CHRISTIAN SCHOOL *Photo Release Form*

Dear Culver City Christian School Parents,

Some of our parents have told us that CCCS is “the best kept secret in Culver City”. In an effort to share this secret with the community, we from time to time communicate using photos including current activities and photos which highlight our excellence. These methods include press releases through our local newspapers, flyers to local businesses and churches as well as postings on our website. We would like your permission to allow your child’s photograph to be used in these methods. Please sign the permission slip below if you will allow your child to participate and return it to the office.

Thank you,

Havon McLeod, II

Administrator

I give Culver City Christian School permission to use my child’s photograph in newspapers, on flyers and online.
